## PROFESSIONAL EXPERIENCE

### Junior Executive, Software Development

Dec 14, 2025 – Present

#### iTech Velocity Ltd.

Full-time · Dhaka, Bangladesh

Contributing to **Clarra ERP** through software customization, business reporting, client requirement clarification, documentation, and support.

- Designed and customized **30+ RDLC reports** with dynamic data binding, DTO/API data, and A4 print layouts.
- Worked on ERP features using **ASP.NET Core** and **C#**, translating business requirements into software tasks.
- Prepared user manuals and help pages, investigated client issues, and coordinated with technical teams.
